REMBRANDT
CARAVANS

Art of simplicity.

The great Aussie tradition.

Inspired by revered Dutch Golden Age artist Rembrandt, Rembrandt Caravans has made an art form out of building simple, quality, and value-for-money caravans.

Combining simple design and state-of-the-art technology, Rembrandt is indisputably a leader in the Australian caravan market.

Proudly Australian made and owned, with five custom-built models to choose from, expect all the features of a high-end caravan, as well as a three-year structural warranty.

Australian made and owned.

With every van built at our Melbourne factory, Rembrandt Caravans is a proudly Australian owned company. Qualified tradesman construct each and every van to the highest standards.

Build your own van.

Rembrandt Caravans are tailored to the customer's requirements:

- Different floor plans available from 17ft to 24ft
- Couples and family models, with 2-5 bunks
- Different suspensions available to suit on-road or off-road models
- Slide-out range available.

Simple and affordable.

Our caravans are designed with simplicity in mind, as many happy Australians and New Zealanders have discovered. When it comes to affordability, our vans are the best value offering on the market.

Client-focused approach.

When building a Rembrandt Caravan, our staff keep the customer at the forefront of their minds.

3 year structural warranty.

Instant peace of mind with a three-year structural warranty. Our renowned after-sales service see us standout in a very crowded Australian caravan market.

25 years of experience.

The Rembrandt Caravan team have gathered unrivalled experience after over 25 years in the industry.

What our customers say about Danae.

“ Couple of trips out in this thing and there’s nothing you’ll get better at this price. Had a bunch of tweaks I wanted to do myself after pickup and Josh is one of the easiest dudes in the industry to work with, makes for after sales support questions a no hassle affair. ”

What our customers say about the Nightwatch.

“ Four months in on our ten month lap of Australia and couldn't be happier with our customised 21'6 double bunk **NIGHTWATCH**. Rembrandt are amazing to deal with and built to our needs. You will not find a better value for money in comparison with the same modifications and similar build. Chris was also amazing to deal with and nothing was too hard to change or add through the build.

After sales service was also next level with quick responses to any queries raised. Could not recommend this product enough. ”
